

NATIVE

Acacia Walk - encourages climbing, jumping and balancing, helping develop body control & the vestibular senses.

Branch Balance 300 - a traversal activity that develops the vestibular sense, with heightened challenge through the exclusion of a guide rope.

Mini Branch Balance (x2) - a dual height traversal activity that helps develop muscle strength and endurance.

Branch Balance 600 - a traversal activity that develops the vestibular sense, with heightened challenge through the exclusion of a guide rope.

Mini Tightrope Vine - a balancing rope that stimulates the vestibular senses and hones spatial awareness by demanding precise coordination.

NATIVE

Drop Vine Traverse – a combination of balance and hanging ropes, creating a strength-testing activity that engages both the upper and lower body.

Forest Weave – a dodge & balance activity that challenges co-ordination and develops proprioceptive awareness.

Branch Holds - assist users in navigating from one activity to the next.

Web Climber - An intermediate climbing activity that helps develop body strength and the proprioceptive sense.

Summit Climber - An up and over balance and climbing activity that refines the vestibular sense by enhancing balance and spatial awareness.
